Environmental Handling Fees (EHFs) Product Clarification Guide: What you need to know

What is the product clarification guide? Why do I need it?

This guide is intended to assist members in identifying program products and the associated EHFs for the Call2Recycle Canada E-Bike stewardship program for British Columbia (BC).

When were EHFs rolled out?

January 2023: EHFs applied to Electric Bicycles (E-Bikes) including the battery.

What's new in this version?

The February 2024 (version 1) product guide introduces EHFs for E-Bikes.

Who do I contact with questions?

For questions, help navigating the product clarification guide, or fee assessments regarding individual product SKUs, please email ehf@call2recycle.ca.

Product Clarification Guide Notes

1. Members must assess products against the definitions of each obligated product or sub-category of products to determine the applicability and appropriate EHF and may consult program staff for assistance in clarification where required.
2. The list of Product Definitions and Clarifications may be revised periodically by the program.

Products	Description	EHF by Province
<p>ELECTRIC BICYCLES (E-Bikes)</p> 	<p>Category Definition: A bicycle style transportation device with an integrated or removeable rechargeable battery, typically lithium ion, powering an electric motor. Drive system can either be activated by pedaling or by a throttle such as a grip-twist, trigger or button.</p> <p>Excluded: Mopeds, motorcycles, ATVs, dirt bikes, motorized mobility chairs having 3 or 4 wheels, go carts, and golf carts.</p>	<p>BC</p> <p>\$10.00</p>
