NOTES

* Applicable EHF is applied to the battery(ies) sold with each product; independent of chemistry (primary or rechargeable) and the number of batteries included.

** Up to a maximum of two (2) EHF's for Garden and Construction/Renovation Tools sold as multi-tool or combination kit.

*** For the BC E-Transport program, please see that [product guide](#) for more information.

**** Lithium-Ion batteries only. For small, sealed lead acid rechargeable batteries, refer to the product guide (p.11)

^ In BC, if an applicable product (garden tools, construction/renovation tools, smoke and CO alarms, portable flashlights and spotlights, and e-toys) is sold with bonus or extra stand-alone batteries, an EHF must be applied to the bonus or extra battery(ies).

Please refer to the Product Guide for more details.
